

£7,000 Core Funding

Four new part-time staff members have joined our team. They bring a variety of skills and energy to the workplace and are flourishing in their new roles.

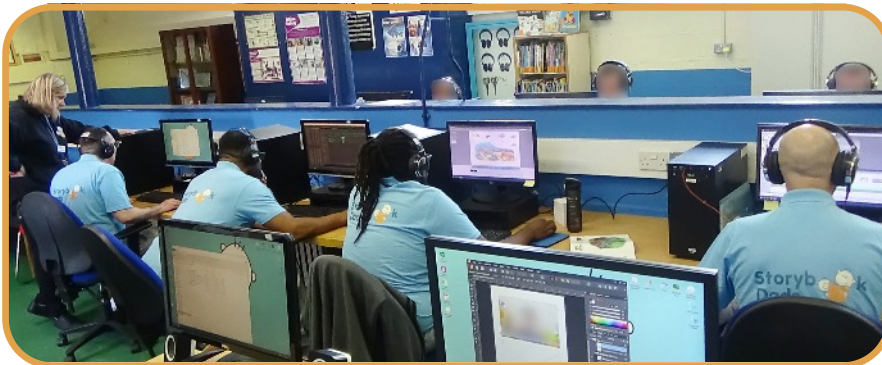

£1,500 Equipment

Your contribution enabled us to buy several oil-filled radiators to help keep our (rather large) workshop warm. Very handy as it gets awfully chilly up on Dartmoor!

£3,000 Home Editors

We provided four ex-prisoners with part-time employment and ongoing support to help them with resettlement. Your contribution resulted in 150 stories sent to children

The editing suite opened in March and we have trained eight prisoners in audio and video production. All of them stated improvement in the following areas: computer skills, confidence, creativity, overall well-being and optimism for the future. One of them told us he had never been able to hold down a prison job for more than a month in the past. He showed particular flair and creativity so has now been trained as a mentor, helping the others and assisting with delivering projects such as height charts and photo frames.

"Thank you so much for this amazing service. My children are absolutely overjoyed that they can hear their daddy voice. They got so emotional listening to him and I even shed a tear. What you're doing is incredible and you should be so proud. Safe to say they will never forget him. You're all amazing!"

You enabled us to provide approximately 350 story discs or other gifts such as our lovely decorated photo frames or fabulous height charts.

We celebrated the opening of our new premises together with our 20th anniversary at our 'birthday party' at HMP Dartmoor. Our patron, Terry Waite, gave a powerful speech on the importance of maintaining family ties during the period of imprisonment. Guests visited our office to see examples of our work and talk to our team.
